

Bay View Neighborhood
MILWAUKEE, WISCONSIN

Wisconsin Presbytery
PRESBYTERIAN CHURCH IN AMERICA

Bay View is a neighborhood in Milwaukee, Wisconsin on the shores of Lake Michigan, south of the downtown area and north of the city of St. Francis.

The Milwaukee Convention & Visitor Bureau says, "Bay View is a hip and eclectic neighborhood popular with families and young professionals alike. Home to one of the city's most popular bar districts, it's also a hotbed of local art and creativity with gallery nights, a thriving farmers

market and maker fair, and one of the city's most beloved weekly concert series. You'll find plenty of opportunities to get outdoors on lakefront trails or at beer gardens in neighborhood parks. Bay View combines city fun with a charming neighborhood feel."

What Bay View is lacking is a reformed church that will build gospel relationships for witness and discipleship. The Wisconsin Presbytery is committed to seeing that church planted.

The majority of churches in the Wisconsin Presbytery are invested in their church planting network, "On Wisconsin." The goal of "On Wisconsin" is to plant 16 more churches in Wisconsin in 10 years.

Since 2012, 5 churches have taken root, 5 new works have started and 2 RUF chapters have begun. By the grace of God, a church in Bay View will soon be added to those numbers.
